

NCLEX Exam: What You Need To Know Before You Take Your Exam

Thinking about the NCLEX exam? Whether you are a nursing student or a recent graduate, the NCLEX exam is something that is always on the back of every new nurses mind. With so many different resources available to study with, it is easy for one to feel bogged down and overwhelmed. This book was created as a special how to manual to provide nurses with the key information and advice they need to know about the NCLEX exam before they take it. It was setup as a go to resource for new test takers, repeat test takers as well as international nurse test takers preparing for the exam. About the Author Chioma Okeke is a Registered Nurse with a Bachelors of Science in Nursing degree. Her specialty area holds in Medical Surgical and Telemetry nursing and is the founder of Choosing Nursing where she mentors new nurses successfully into the nursing field.
