

# The Colors for Living Kitchens (Rockports Colors for Living)

Colors for Living: Kitchens offers the first full-color guide concentrating on the use of color in the kitchen. This book combines beautiful interior images with color swatches to help the professional and the amateur achieve the mood or feeling they want in the most used room in the home: the kitchen. --Includes up-to-date colors for kitchen design as determined by experts in the field of color trends. --Exciting and varied photographic examples of kitchen interiors from around the world. --Color swatches provide professional 2-, 3-, and 4-color combinations. --Easy-to-follow guidance on the basics of color theory and kitchen design gives the reader a vocabulary of schemes that fit their own design needs. --Includes a full set of tear-out swatches for easy color matching.
