

## By Lippincott - Pathophysiology: an Incredibly Easy! Pocket Guide: 2nd (second) Edition

I bought this book for clinical purposes but ended up not using it as I carried too many things in my pockets for clinicals. I love the descriptions and the illustrations in this book. A few of my friends used theirs to understand patient conditions--in a more easy to understand / discuss way.

[\[PDF\] The Discovery, Use and Impact of Platinum Salts as Chemotherapy Agents for Cancer](#)
