

Collins Calligraphers Companion (A Quarto book)

A comprehensive and practical guide to all aspects of the popular art of calligraphy. Section One shows how to assemble a basic kit of materials, analyzes basic letterforms and demonstrates how to put pen to paper. Section Two is the books unique script identifier sets out over 100 different alphabets for the calligrapher and defines key points in each one to enable you to select the best one for the intended purpose. Section Three looks at the aesthetics of calligraphy and introduces the calligrapher to ideas for adding colour and textured backgrounds, embellishments and illumination to their work.
