

Miami: Trends and Traditions

This beautiful trilingual volume (English, German, & French) documents the pioneering architecture & spectacular interiors of the exciting metropolis of Miami, Florida. Explores Miami's great architectural treasures, from the well-known landmarks of the Villa Vizcaya & the Morris Lapidus apartment to lesser-known houses by such young architects as Teofilo Victoria, Jorge Hernandez, Carlos Zapata. With full color photos, this exceptional book celebrates the full range of Miami's architectural landscape, from the Mediterranean & Caribbean styles to the earliest days of Modernism. It traces the history of Miami's architecture & looks at the role & influence of private houses in creating the larger sense of the city.
