

Allah: A Christian Response

From Miroslav Volf, one of the worlds foremost Christian theologians and co-teacher, along with Tony Blair, of a groundbreaking Yale University course on faith and globalization comes Allah, a timely and provocative argument for a new pluralism between Muslims and Christians. In a penetrating exploration of every side of the issue, from New York Times headlines on terrorism to passages in the Koran and excerpts from the Gospels, Volf makes an unprecedented argument for effecting a unified understanding between Islam and Christianity. In the tradition of Seyyed Hossein Nasrs Islam in the Modern World, Vols Allah is essential reading for students of the evolving political science of the twenty-first century.
