

100+ Easy Calligraphy Projects: Creative Ideas for Putting Basic Calligraphy to Practical Use

This book is intended for those who have already acquired some basic calligraphic skills and may be wondering what to do next. It shows how to apply basic lettering skills to a wide range of practical purposes and includes simple illuminated work, gift wrapping, calendars, puzzles, heraldic pieces, menus, decorative writing, labelling, inscriptions for occasions, greeting cards and new uses for traditional letter forms. It also shows how to incorporate illustration into lettering, including ready made suggestions to copy. The author also wrote *First Models in Cardboard*, *Make it from Paper*, *Paper for Play* and *The Zebra Book of Papercraft*.
