

The Art of Calligraphy & Lettering: Master techniques for traditional and contemporary handwritten styles (Collectors Series)

In a world saturated by computer-generated fonts, more and more artists and crafters are turning to the organic art of hand lettering. The Art of Calligraphy & Lettering offers a broad scope of instruction, starting with basic calligraphic alphabets and moving to unique modern characters. Creative step-by-step demonstrations introduce readers to illumination and word painting while inspirational projects teach beginners how to incorporate their new skills into a variety of crafts. From adding decorative flourishes to gilding, this book covers it all!
