

Country Living Shortcuts to Decorating Country Style

Quick and easy ways to add country distinction and elegance to the home. Home decorators can satisfy their yearning for a little touch of country instantly. The editors at Country Living have gathered every smart and special shortcut they know for adding charming touches to every room, and creating the perfect blend of function and elegance. Throughout, invaluable decorating tips offer a variety of quick-to-implement suggestions. On every page, beautiful photographs showcase perfect and easy-to-achieve country color schemes (such as the ever-popular blue-and-white combo); fabrics and wallpapers; furniture styles; and cozy accessories. There are ideas for hiding modern gadgets, such as the TV, that don't really fit into the country style; for displaying treasured items; for selecting just the right window treatments; for candles and sconces that create atmospheric lighting; and much more.
