

Current Issues in Community Nursing: Specialist Practice in Primary Health Care, 2e (v. 2)

The book deals with specific areas of practice. Each chapter is written by a subject expert, with a foreword by Tessa Jowell, Minister for Public Health, and Yvonne Moores, Chief Nurse at the DoH. In addition to the specific areas of practice, there are also chapters on key community issues -the specialist/advanced practice debate, advocacy, and evidence-based practice.
