

With over 200 books in print on calligraphy, the popularity of this sophisticated art is unquestionable. Most calligraphy books can be pretty daunting for the beginner, hence Marsh's book. Part of North Light Books First Step series, it is aimed at the absolute beginner. Excellent for secondary school age and above, it features projects on greeting cards, invitations, and romantic verse. If a more advanced treatment is needed, see David Harris's *The Art of Calligraphy: A Practical Guide to the Skills and Techniques*.

Medicine and Literature, Volume Two: The Doctors Companion to the Classics, Membrane Fluidity (Biomembranes), Annual Review of Nursing Research, Volume 17, 1999: Focus on Complementary Health and Pain Management, Athletic Injury Assessment + Reference (Package), Things to know about death and dying (Look before you leap), Poisoning (My Health (Pb)),
