

Cyril Power Linocuts: A Complete Catalogue

Cyril E. Power (1872-1951) was a leading member of the Grosvenor School of Modern Art in London in the 1920s and 1930s under the inspirational leadership of Claude Flight. This book, now reprinted in hardback due to popular demand, is the first to establish Power as an extraordinarily creative printmaker in his own right, cataloguing and illustrating in colour for the first time all 46 of his linocuts. It is an essential resource for all those with a specialist or amateur interest in the vibrant prints of this period.
