

## AlphaTangle: A Truly Tangled Alphabet! (Design Originals)

The best in-your-pocket reference for Zentangle! In 2009, an adorably teeny book of tangled alphabet letters was published... AlphaTangle served as inspiration and thousands of copies have found their way around the world! Here is the NEW and improved, revised and updated edition! This gem of a book is still small in size and packed with tangles. So, whether you are traveling, waiting at the doctors office, picking up kids at school, visiting with friends or relaxing on the sofa - AlphaTangle is the perfect reference to jumpstart your creativity. A nice addition to any letter-lovers library, AlphaTangle includes the basics for getting started with this relaxing, creative, confidence-boosting, and totally addictive art form called Zentangle!
