

The Western Front - A Nurses Diary: 1914-1915: The Diary of a War Nurse

The Western Front. The true story of a nurse serving on the Western Front during World War One. Experience the horror and the compassion, the tender moments and the fear. They have had a good many deaths, surgical and medical, at LEveche; they have pneumonias, and paralysis, and septic wounds, and an officer shot through the head, with a temperature of 106 and paralysis; there is a civil surgeon with a leg for amputation at No. Stationary.
