

Designing with Plants: Creative Ideas from Americas Best Gardeners (Fine Gardening Design Guides)

Gardening enthusiasts will be inspired by this series of garden design books from more than 50 of Americas best gardeners, landscape architects, horticulturists, and nursery owners. Theyll discover a wealth of information on everything from planting perennial borders and garden rooms to landscape layout and gardening in harmony with nature. Designing with Plants features proven techniques for using color, shape, and texture in the garden; planting design techniques; ideas for using mass plantings, ground covers, and scented shrubs; and tips for extending the season.
