

First Responder: A Skills Approach (7th Edition)

The 7th edition of this popular First Responder title, takes students beyond national standards while retaining the easy-to-read, step-by-step format that has made it a favorite for over a decade. Comprehensive coverage includes a variety of topics, including material that goes beyond the DOT curriculum and airway and circulation chapters that fully comply with the newly revised AHA Guidelines. New features, enrichment materials will enhance the clear and in-depth coverage that has been this title's trademark. New material has been added on terrorism, industrial emergencies, and special patients, as well as a new chapter on Geriatric Emergencies. A new special feature First Responder Flash highlights key information. First Responder students and professionals.
