

## Fishing Texas

Texas is a big place and its filled with a whole lot of spots to wet a line. But youve got to know where to go. In Fishing Texas, Barry St.Clair provides an insiders guide to the best places to fish throughout the state with all the directions and particulars and background that give each place its own unique character and reputation to give you a leg up. Many fishing sites in Texas are similar in nature and vary based on their particular kinds of fish and climate zones. This guide is based on the authors in-depth and wide ranging fishing experience in Texas as well as from interviews with friends, guides who fish their lakes nearly every day, and fisheries biologists from the Texas Parks and Wildlife Department. Combining all this experience and expertise creates one indispensable reference for fishing Texas. Look inside to find: A listing of the game fish at each location Tips on lures, flies, bait, tackle, and techniques for each location Directions and information on camping facilities Words to the wise on weather and dangerous critters Maps and photos
