

## From the Straight Path to the Narrow Way: Journeys of Faith

Representing over twenty nations, a group of nearly fifty missionaries and practitioners gathered to consider how Muslims are coming to faith in Jesus Christ. They shared an interest in understanding how God is at work in drawing people into the faith journey from the way of Islam to faith in Jesus Christ. From the Straight Path to the Narrow Way is a compilation of papers presented at this consultation. The contributors point to the various ways in which God is at work in the lives of Muslims. While the papers reflect diverse global settings, three core factors seem to repeat: a demonstration of Gods love, a sign of Gods power, and an encounter with the truth of Gods Word.
