

Ultimate Lap Band Success: The Support Surgeons Guide to Getting the Most from Your Gastric Band (Volume 1)

In this interactive manual, Support Surgeon Dr. Duc Vuong offers essential strategies for Lap-Band patients striving to maximize their weight-loss, overall health, and long-term happiness. Dr. Vuong covers various topics that are crucial for new patients (and for those who have received little or no support) to find happiness with life after their surgery, and specific maintenance topics to teach patients how to keep the weight off once and for all.
