

Harrisons Manual of Medicine: 16th Edition

The authority of Harrison's at the point of care! Covering the full scope of internal medicine, the new edition of this mini-textbook is thoroughly revised to reflect new content areas and quicker retrieval of clinical information. The manual continues to focus on diagnosis and therapy with an emphasis on patient care. Features a new section on Care of the Hospitalized Patient, with a new chapter on Procedures in Internal Medicine as well as a section on patient admittance orders.
