

## HEAL: a years worth of improvements to run an excellent healthcare organization

Its time to improve healthcare organizations. Its time to create facilities, services, and care environments that have the look and feel of a Four Seasons, the seamless operations of Disneyland, the ambiance of Starbucks third place, and the innovations of IDEO. HEAL presents a year of hard-won insights and challenges, each dedicated to identifying and overcoming the individual and institutional barriers to a first-rate and exceptional healthcare environment that nurtures, supports, and delivers care and compassion for its patients, colleagues, and communities. Use it well.
