UNIQUE! Routine exams and exams for advanced practice are identified with a special icon to help you quickly and easily determine essential assessment content. Body system chapters are subdivided into clearly delineated sections to allow easy navigation among these consistent sections within the chapters. UNIQUE! End-of-chapter Documentation Samples demonstrate how to document client data and provide a practice context for client charting. UNIQUE! Special feature boxes outline common, Frequently Asked Questions (FAQs) about health assessment and provide corresponding answers. Ethnic and Cultural Variations boxes present differences to anticipate among today's multicultural client population and show how to vary the exam for varied populations. Separate sections for special circumstances or special needs show how to vary the exam for clients with special needs. Feature boxes outline Healthy People 2010 objectives to provide you thorough discussions of recommendations for health promotion and reducing risk. Interactive Activity Lists at the end of each chapter outline corresponding exercises, checklists, and lab forms that can be found on the companion CD-ROM. Case Studies with Clinical Reasoning Questions are provided at the end of each chapter to test your application of textbook material. NCLEX exam-style review questions are included at the end of each chapter. PDA-Downloadable Exam Techniques are included on the Evolve companion website to allow you to easily access important summary exam information. UNIQUE! The 30 Core Assessment Skills identified by research as most commonly performed by nurses are now highlighted with a unique icon. UNIQUE! The companion CD-ROM now provides the Core Assessment Skills Checklists as quick step-by-step summaries for each of the 30 Core Assessment Skills. Two new chapters
