

A Boys Religion (Classic Reprint)

The simple chapters that compose this booklet were written originally for the Classmate on the invitation of the late and much lamented John T. Mc Fariand. The Publishers and Book Editor have requested that the articles be placed in one volume. Although the author did not write them with the intent that they should form a small book, he yields cheerfully to the request. The reader will please bear in mind that the writer has not sought to produce a scholarly and scientific treatise. That side of the general subject has stimulated much recent writing; and just now there is small need that additions be made either to its amount or to its excellence. (Typographical errors above are due to OCR software and do not occur in the book.)
