

Fundamentals of Chiropractic - Elsevier eBook on VitalSource (Retail Access Card), 1e

Topics and content parallel the test plan outlines from the National Board of Chiropractic Examiners, ensuring that all material is relevant, up-to-date, and accurate. Well-known chapter contributors - some of the most respected and influential names in the field - give the book a balanced approach, reflecting the diversity within the profession on issues related to the science and philosophy of chiropractic. Well-referenced discussions include the most up-to-date research. Key terms and critical thinking/review questions in each chapter familiarize the reader with important concepts and promote a solid understanding of the material.
