

Live in a Better Way: Reflections on Truth, Love, and Happiness (Compass)

Imbued with a friendly tone and pithy wisdom, this handsome handbook to approaching life in a better way includes six of His Holiness The Dalai Lamas most accessible and inspirational public lectures. Following each talk are the original question-and-answer sessions in which His Holiness opens himself up to his listeners and-now-to readers everywhere. His characteristically candid guidance on living fully and responsibly, especially at the start of a new millennium, focuses on specific themes that range from religious tolerance to compassion and nonviolence. The book also includes a practical and highly readable introduction to Buddhism and The Dalai Lamas own spiritual heritage, written by the renowned Lama Thubten Zopa Rinpoche.
