

## Teach Me! An Erotic Journey (v. 1)

Three young professional women learn how to let go and get off, in this highly-charged story of sexual chemistry set to explode in a climax of mutual delight! As an added feature, Teach Me! also contains a feature-length story of the old West, but with a decidedly erotic edge. See the trials of a young woman on the trail westward, as she plays Cowboys and Indians with total sexual abandon!
