

The Practice of Chinese Typography Volume Three - Letter Spacing (Volume 3)

The Practice of Chinese Typography is published in four short volumes: Volume One Typefaces, Volume Two Type Sizes and Line Spacing, Volume Three Letter Spacing, and Volume Four Layout. These four volumes form a progressive collection of typographic practice that guide a reader through the process of constructing complete Chinese language layouts. Useful for those who already work with the Chinese language as editors, designers or printers and for anyone else who wishes to gain a deeper understanding into Chinese typesetting and typographic practice.
