

Ministering to Those in Chronic Pain

This booklet is written for priests, pastors, ministers, and all those who know persons suffering from chronic pain. Part I details my experience with chronic pain. Part 2 lets the reader know what is not helpful when ministering to those in chronic pain. Part 3, and the booklet as a whole, suggests what is helpful when ministering to those in chronic pain. This booklet is intended for Christians, but its tenets will be helpful to those of any faith.
