

## Minor Emergencies: Second Edition

An essential quick reference for the office, the hospital, or anywhere, this book provides all the instructions you need to handle common, non-life-threatening emergencies with speed and expertise. Whether you're called on to remove a bean from a child's nose or treat accidental tear gas exposure, this quick reference is ready to provide fast, efficient guidance just when you need it. Find guidance at a glance with What to Do and What NOT to Do checklists. Get comprehensive coverage that remains concise for emergency point of care. Stay on top of the latest emergency strategies with new coverage of: croup, nasal vestibulitis, heat illness, chiggers, acute bronchitis and simple pediatric sedation. Download content from the book onto your PDA for rapid access anytime, anywhere!
