

RAPID Rescue Spanish - CD-ROM PDA Software Powered by Skyscape, 1e

Quickly and easily communicate with Spanish-speaking patients - at the tap of a stylus! RAPID Rescue Spanish - CD-ROM PDA Software contains the full contents of the pocket reference, for instant access on your PDA anywhere you need it. Powered by Skyscape, this software offers extensive cross-linking and search capabilities that let you find and use the information the way that works best for you. Includes the essential questions and answers you need to perform complete assessments, discuss treatment plans, and manage all aspects of patient care and transportation for Spanish-speaking patients. Addresses BLS and ALS level assessments and treatment. PDA Software Powered by Skyscape lets you quickly find the information you need and use it the way you want. Use integrated cross-reference linking to connect instantly with all other Skyscape titles on your PDA. Move within topics with a single touch using smARTabs. Customize how you want information displayed. Take notes when and where you need to with the annotation function. Use this software on both Palm OS handhelds and Pocket PC/Windows CE operating systems.
