

## Divine Entreaty: Prayers for Public and Diverse Settings

Divine Entreaty is a great resource for all who are called upon to offer prayer for gatherings that include people from diverse backgrounds. The prayers written by Dr. Menz provide us with sensitivity training and show that he is both a verbal artist and philosopher -Suellen Mazurowski, JD; Hilton Head, SC Teach us to pray was the elementary request of the first disciples of Jesus. Yet their desire is a universal one; a spiritual longing at the heart of persons of all religions and cultures. In this remarkable little volume Dr. Menz captures both the complexity of cultural sensitivity and also the commonality of public prayer. This is a resource for both guiding those who are called upon to articulate a prayer in our diverse world and encouraging business and civic leaders who feel the need for the prayers of the people to be voiced -James Gebhart, PhD, clinical psychologist; Columbus, Ohio Bob Menz and I have a friendship that goes back twenty-plus years revolving around human resource conferences and issues. Bob has shared prayers with people for decades and I would like to thank him for giving others a place to begin as we seek communication with our Creator. -Bill Henry, human resources manager; Ava, Missouri We live and work in a culturally, religiously, and spiritually diverse world. For those of us who are challenged by issues of diversity every day, Dr. Menz's volume, Divine Entreaty, is a welcome resource calling our attention to the necessity of inclusiveness. Both the famous prayers of the past and those for public and diverse settings will enlighten your own sense of oneness with humanity -Carl Kyle, DMin, board-certified chaplain; Jacksonville, Florida Divine Entreaty offers a collection of inclusive prayers for leadership in civic, business, education, politics, ministry, and other disciplines to adopt or modify when communities seek to clarify their purpose and capture the moment.
