

Why Should Religion Rape the Souls of Men?

Why should Religion Rape the Souls of Men by Polycarp is a short book about the futility and manipulative nature of religion.

Whether Christianity or Islam or Buddhism or any other religion the book documents religions devious and manipulative nature. Religion is also created by the powerful on earth to control the minds of the masses. Religion was used on the Transatlantic Slave Trade and continues to be used in every genocide and extermination of humanity on earth controlling the people. Extreme Muslim Jihadist today use religion to indoctrinate and radicalize the simple of humanity. Maximum brain washing and propaganda. Indeed religion has always been used to plunder and profit from the black African and the black people of the world are steeped in religion. Blacks on earth today and for the foreseeable future are so buried in religion they will never aspire to be the powerful on earth. Their wills and humanity broken. Pre 1800 there are no graves and or burial sites of slaves in the British Isles. The slave was considered husbandry and not availed baptismal or burial rites. Question If slaves were considered no better than the cow, the pig, the goat, the chicken, the lamb and not availed the rites of baptism and burial; they were discarded and have no place in the kingdom of God; What of their descendants today and in the future? Are the descendants of slaves worthy of a place in the Kingdom of God or are they condemned like their ancestors to eternal damnation and fires of hell? In this 21st century governments use the propaganda methods of religion to dupe and control the masses dictating colour and creed and worth. Everyone is now in a diversity box. The slums, ghettos and slaves of the world soldier on as their bloodlines dictate and the powerful of Church and State rule on. Polycarp
