How to Build a Pharmacy Consulting Business: Your Rx for Finding Freedom and Loving Your Career Not only will you get all the content within this Kindle eBook, but you will also get access to the Pharmapreneur Community Newsletter by visiting [BTPHarmacyConsulting.com](http://BTPHarmacyConsulting.com) and entering your email address! Attention Pharmacists: Have you ever wondered what opportunities exist for pharmacy consultants? Are you feeling burned out by your pharmacy career? If so, is it the long hours, inflexibility, workplace stress or not being able to use your clinical knowledge that bothers you most? One way to explore pharmacy consulting and stretch your clinical muscles is by conducting Medication Therapy Management (MTM) services in your current position. In this book, I take it one step further and teach you how to offer pharmacist-led clinical services in various practice settings. Are you ready for a career change? One key to achieving your Dream Career is through entrepreneurship. Owning your own consulting business can help you regain your passion for pharmacy and find freedom at the same time. Learn how to build, structure and grow your business in the first ever step-by-step guide based on the Pharmapreneur Academys successful flagship course. I will take you step-by-step through the process using examples to show you the many opportunities that exist for pharmacy consultants. This book contains the information I wish I had known when first starting my business. Now, I want to share all the tips and tricks that I have learned with you to decrease your learning curve and kickstart your new business. Join me as I blow your mind with the many opportunities for pharmacy consultants!
