

Voices of the Massachusetts General Hospital 1950-2000: Wit, Wisdom, and Untold Tales

Voices of the Massachusetts General Hospital 1950-2000 contains revealing quotations, intimate and previously untold stories of many of the physicians, nurses and other clinicians who dedicated themselves to the pursuit of excellence on behalf of their patients and families, their colleagues and the world beyond the hospital. What started as an email solicitation for stories and anecdotes turned into a moving and instructive portrait of the daily life of a storied institution in the last half of the 20th century.
