

## Spanish for Pharmacy Personnel (Audio CD)

Those who work in a pharmacy and serve Spanish-speaking customers need this audio CD. Users can learn anywhere and at anytime on a MP3 player or iPhone, in the car, at the gym, on the way to work, at the beach, etc. After using this audio CD, you will be able to utilize Spanish to do the following: greet customers; employ basic social and courtesy phrases; use communication strategies to negotiate a mutual level of understanding; collect pertinent information from customers; explain prescription laws and policies; explain insurance matters; assist with first-time prescriptions and refills; explain the administration of medicines; accept payment and finalize sales at the cash register; AND MORE.
