

## Spons Landscape and External Works Price Book 1999

Spons Landscape and External Works Price Book 1999 offers the only comprehensive source of detailed landscape and external works costs. It covers all the items to be found in hard and soft landscape contracts, and is therefore an indispensable reference book for quantity surveyors, landscape architects, and contractors - essential for compiling estimates, specifications, bills of quantities and works schedules. This edition has been organized in accordance with the Common Arrangement and SMM7. Every rate has been reworked and recalculated by Davis Langdon & Everest, in conjunction with Sam Hassall, one of the UK's leading landscape surveying and cost management experts. A full index and list of manufacturers and suppliers gives easy reference to all items. The book is updated free every 3 months until the next years edition.
