

# Study Guide to Accompany Brunner and Suddarths Textbook of Medical-Surgical Nursing

The Study Guide to Brunner and Suddarths Textbook of Medical-Surgical Nursing, Ninth Edition, was developed as a learning tool to help nursing students understand the concepts, techniques, and disease processes presented in the main text. It is an easy-to-use, authoritative guide that simplifies studying and enhances learning. It contains various exam-style questions and answers that will test knowledge of Brunner and Suddarths Textbook of Medical-Surgical Nursing, Ninth Edition and reinforce understanding of the main text. The study guide follows a critical thinking approach, and includes knowledge-based exercises and clinical applications that will help nursing students prepare for and successfully complete their examinations.
