

The Anglers Vade Mecum, Containing a Descriptive Account of the Water Flies, Their Seasons, and the Kind of Weather That Brings Them Most on the ... Baits Used in Angling, and Where Found

Nature a collection of the most remarkable Water Flies, for the convenience it may afford to Anglers, in making a selection at any part of the season. Fly-fishing has superior claims over other methods in Angling, by the exercise and variety which it affords. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
