

Twentieth Century American Architecture: A Traveler s Guide to 220 Key Buildings

Takes you through 220 important American buildings & provides architectural & historical information, addresses, phone numbers, visitor hours -- everything you need to understand the structure & plan your trip to see it. Provides a step-by-step journey through the awesome changes architecture has undergone in the last hundred years. Includes the masterpieces of 20th cent. architecture, such as Frank Lloyd Wright s Robie House in Chicago & Mies van der Rohe s Seagram Building in NY City; local & regional landmarks; & outstanding buildings produced by foreign architects. Favors buildings that are accessible or that can be seen from the street.
