

The Esoteric Path: An Introduction to the Hermetic Tradition

The Esoteric path firmly situates that path in its appropriate, traditional context, and point him or her in the right direction, away from the time-and soul-consuming attractions of those paths that exhibit (in the authors word) the confusion between the spiritual and the psychic...the identification of the spiritual with what is most inferior in the psyche, the identification of religion with magic, totemism, and even sorcery, the popular dissemination of pseudo- or counter-initiatic rituals.
