

The FCEM Notebook: Revision notes and clinical resource for emergency physicians

The FCEM Notebook: Revision Notes and Clinical Resource for Emergency Physicians is the essential guide to passing the Fellowship of the College of Emergency Medicine (FCEM) examination. The book contains short questions related to the FCEM curriculum along with succinct answers to allow candidates to test their knowledge. Also included are current relevant national guidelines, references, and suggested resources for further personal reading. A reader-friendly format allows for rapid revision and instant access to key information. The book is a useful resource to emergency physicians, emergency nurse practitioners, trainee nurse consultants, MCEM candidates, foundation years doctors, and medical students working in emergency medicine. This portable, practical book is an essential revision guide for all those studying for the MCEM and FCEM examinations.
