

The Naked Chiropractor: An Insiders Guide to Combating Quackery and Winning the War Against Pain

In all likelihood, you will be among the eight out of every ten Americans who will suffer from back pain at some point. Worldwide, back pain is common. More treatments are touted for back pain than any other medical condition. As this book is written for you, the medical consumer, the goal is to shine a light on scientific evidence based on the most current clinical research, and do so in an easy to understand format.
