

# Designing Interiors with Tile: Creative Ideas in Ceramic, Stone, and Mosaic

Designing Interiors with Tile: Creative Ideas with Ceramic, Stone, and Mosaic presents a stunning contemporary collection of innovative applications of this ancient design form. This volume includes more than 200 full-color photographs showing a variety of colors, textures, and surfaces. It shows how tile, stone, and mosaics can anchor a design theme, add an abundance of color, texture, and light to a room, and turn the ordinary details of a room into the extraordinary. Features a range of traditional and nontraditional applications for kitchens, bedrooms, bathrooms, living rooms, family rooms, dining rooms, and pool areas.
