

The Medical Assistants Survival Guide

WHAT IF YOU COULD LOOK INTO A DOCTORS OFFICE THROUGH THE EYES OF A MEDICAL ASSISTANT! Even better, what if you could peer into that world on your way to becoming one! The Medical Assistants Survival Guide is a compact tool to help you navigate the medical assisting arena. Written by a seasoned professional, it will give you a practical oversight into the medical office that traditional textbooks lack. Get ready for Real World Medical Assisting 101.
