

The Royal Marsden Hospital Manual of Clinical Nursing Procedures, eComp

Clinical skills procedures are a fundamental aspect of nursing care. The Royal Marsden Hospital Manual of Clinical Nursing Procedures Student Edition has been specially compiled for pre-registration students to include the essential procedures they need to know. The manual provides the underlying theory and evidence for procedures related to every aspect of a person's care. Procedures are based on the latest research findings and expert clinical advice, to enable students to provide the best possible care. The manual enables student nurses to deliver clinically effective patient-focused care. Students thus gain the confidence they need to become safe, informed and skilled practitioners. Includes the key evidence-based procedures students need to know. Includes multiple-choice questions to help students test their knowledge. Compact and portable can be taken anywhere. Clear, user friendly and easy to understand. All procedures include the rationale for each action and rate the validity of the supporting evidence. Visit royalmarsdenmanual.com to ask the editor. Accompanying Lecturer companion site with Multiple choice questions & Powerpoint slides of all illustrations. Accompanying Student companion site with Multiple choice questions.
