

The Skilful Pathologist: Pathology Concepts in Histopathology Diagnosis, Interviews & Exams

This book includes essential tips and tricks for those who are interested in Pathology as a science and as a practice. Pathologists, Researchers and Lecturers will find vital issues that were poorly represented in large textbooks. This book Pathology Concepts in Histopathology Diagnosis, Interviews and Exams is essential for Pathology trainees who are intending to enter a Pathology exam, an interview or to progress in their Pathology training. In this book you will find a summary of the important subjects in basic knowledge, histopathology, cytopathology, autopsy, Pathology research and immunohistochemistry. The book contains selected mnemonics, diagnostic tips, differential diagnoses, and the core regulations of clinical audit, clinical governance, multidisciplinary meetings, team working and many other aspects of pathology practice
