

Vila Barulho D Agua: 1 (Portuguese Edition)

Incrustada num pedaco preservado de Mata Atlantica, na historica cidade de Paraty, a Vila Barulho DAgua surge como um contraponto as nossas ruidosas metropoles e suas edificacoes esculturais. Arquitetura enxuta, concisa, que vai buscar nas raizes sua inspiracao e sua razao de ser, esta singular experiencia nao preserva a natureza; dialoga com ela. O resultado e uma casa invisivel, mimetizada com o meio ambiente, que recupera e valoriza a necessidade mais basica do ser humano; o bem estar. A Vila Barulho d Agua nos provoca e inspira, nos lanca a reflexao do que desejamos para nossas cidades, nosso futuro. Arquitetura, realidade, utopia. O livro traz mais de 40 Fotos a PB , desenhos e sketches;s da criacao do projeto, alem da implantacao, plantas, elevacoes, cortes e perspectivas das fases de construcao.
