

## Little Physio English - Turkish (Volume 5) (Turkish Edition)

- Are you a physical therapist / physiotherapist? - Do you have to treat foreign patients? - Do you have problems to treat them because they don't speak English? The Little Physio will solve those problems! - Little Physio is a translator for physical therapists. - It was created by a physical therapist for physical therapists - It makes it possible for physical therapists to treat patients who don't speak English. - It contains all the sentences you need for your diagnosis and treatment. - These hundreds of sentences are translated into the foreign language. - The sentences are clearly divided into 14 chapters such as massage, reception, manual therapy, lymphatic drainage and so on... - And that makes it very easy and fast to find the sentence you need. - In addition to the book, you have the opportunity to get the Little Physio Apps for mobile phones and tabs, iPhone and iPad. - The Apps are available on the Apple Appstore and on the Google Playstore. - The Little Physio Apps are the audio version of the books. - It is as easy as clicking on the needed sentence and your mobile or tab speaks it out in the foreign language. - You can see a demo on: [littlephysio.com](http://littlephysio.com) or on youtube. Now it is easy to be a multilingual physical therapist !
