

[A] PRETTY LITTLE BOOK ABOUT MIRACLES. . . Sometimes funny, sometimes reverent, sometimes inspirational.--L.A. Daily NewsSophy Burnhams name has become synonymous with angels. Her first book about the beautiful presence of celestial beings in human affairs, A Book of Angels, was embraced by readers across the country and ultimately soared onto the New York Times bestseller list. So beloved is A Book of Angels that it generated a great wave of heartfelt response. Hundreds of ordinary people have written to Sophy Burnham about their own encounters with heavenly beings. Now, in Angel Letters, Burnham shares some of their moving stories. These experiences of healing, rescue, warning, and comfort, of angelic blessings seen and unseen, will bring wonder, solace, and inspiration to anyone who welcomes a little angelic intervention in everyday life. Will make the reader stop and think--and believe in a better world.--The Pittsburgh Press
