

## Family Edition - Garage Unleashed..... finding your fortune, family & fun in the most versatile room in the house! (Life & Home Book 1)

This book opens up our thinking about HOME & SELF. Our homes (garages in particular) can be the launch pad for our new careers! If you already love what you do, our garages hold a myriad of fun. The most versatile room in our home can be the most useful. NEVER CONVERT your garage and lose the flexibility you have right now. This is a low cost, highly rewarding move. I wondered what took me so long to realize what all the garage could provide for my family and I just can't keep it to myself. Join us in waking up to an amazing expansion of your home and life!
